contents

He cares about what he teaches . . .

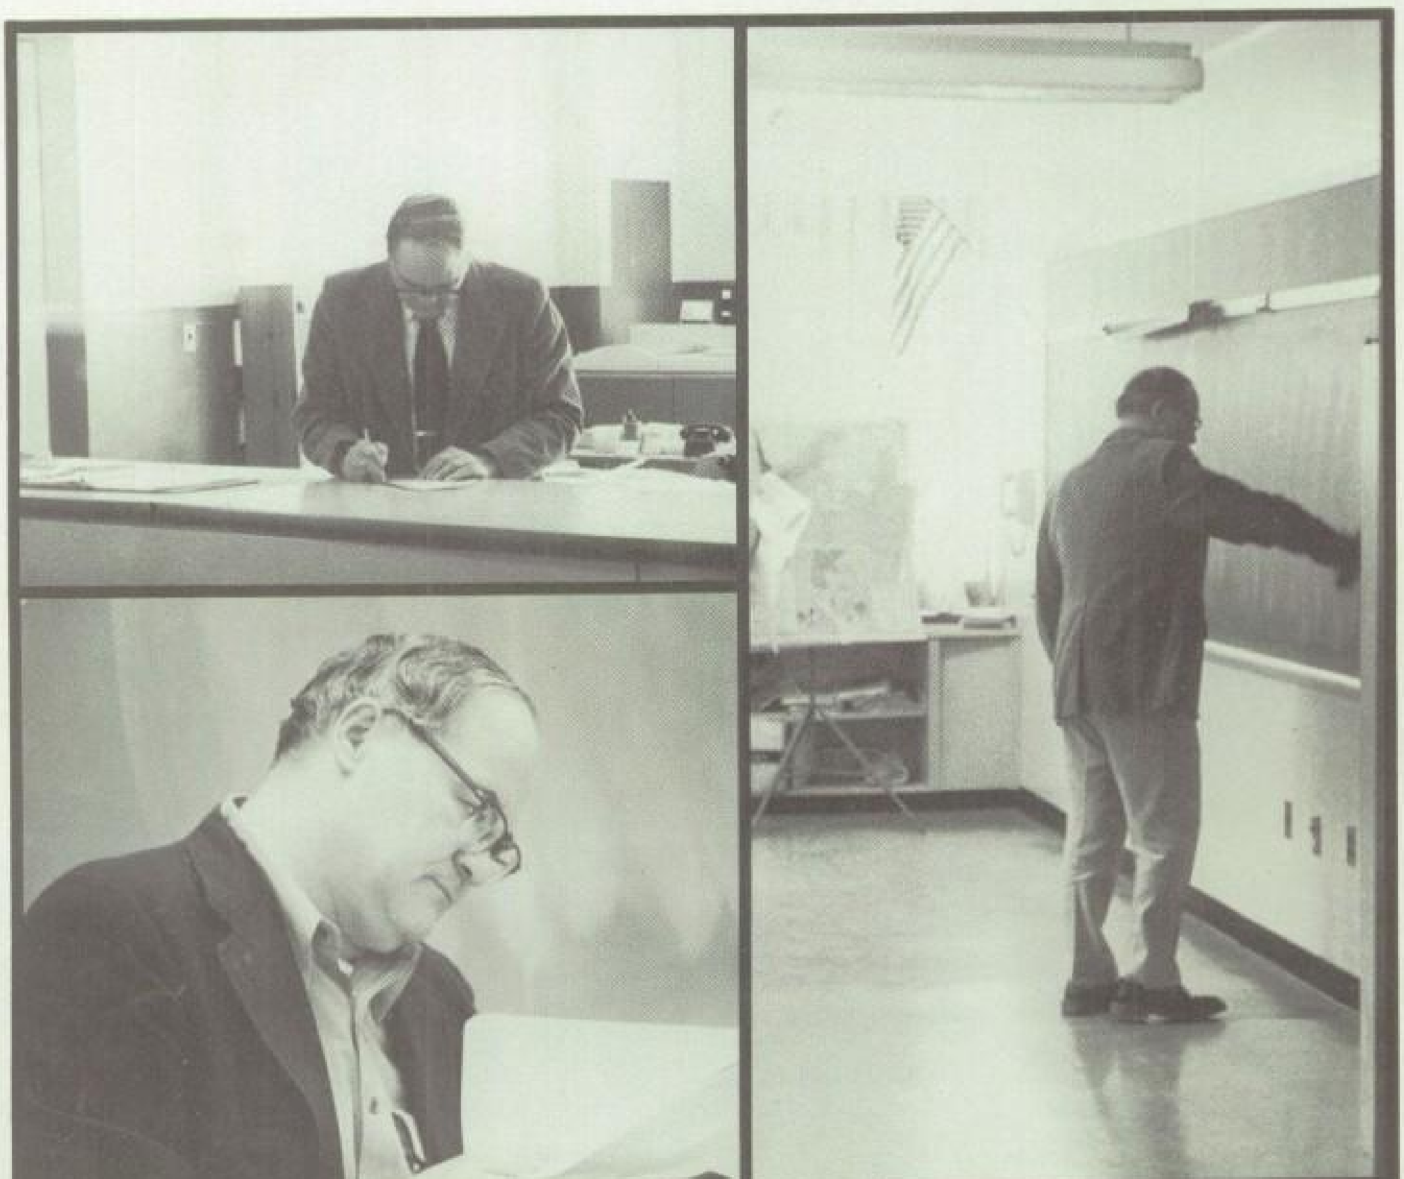

. . . and makes us care too.

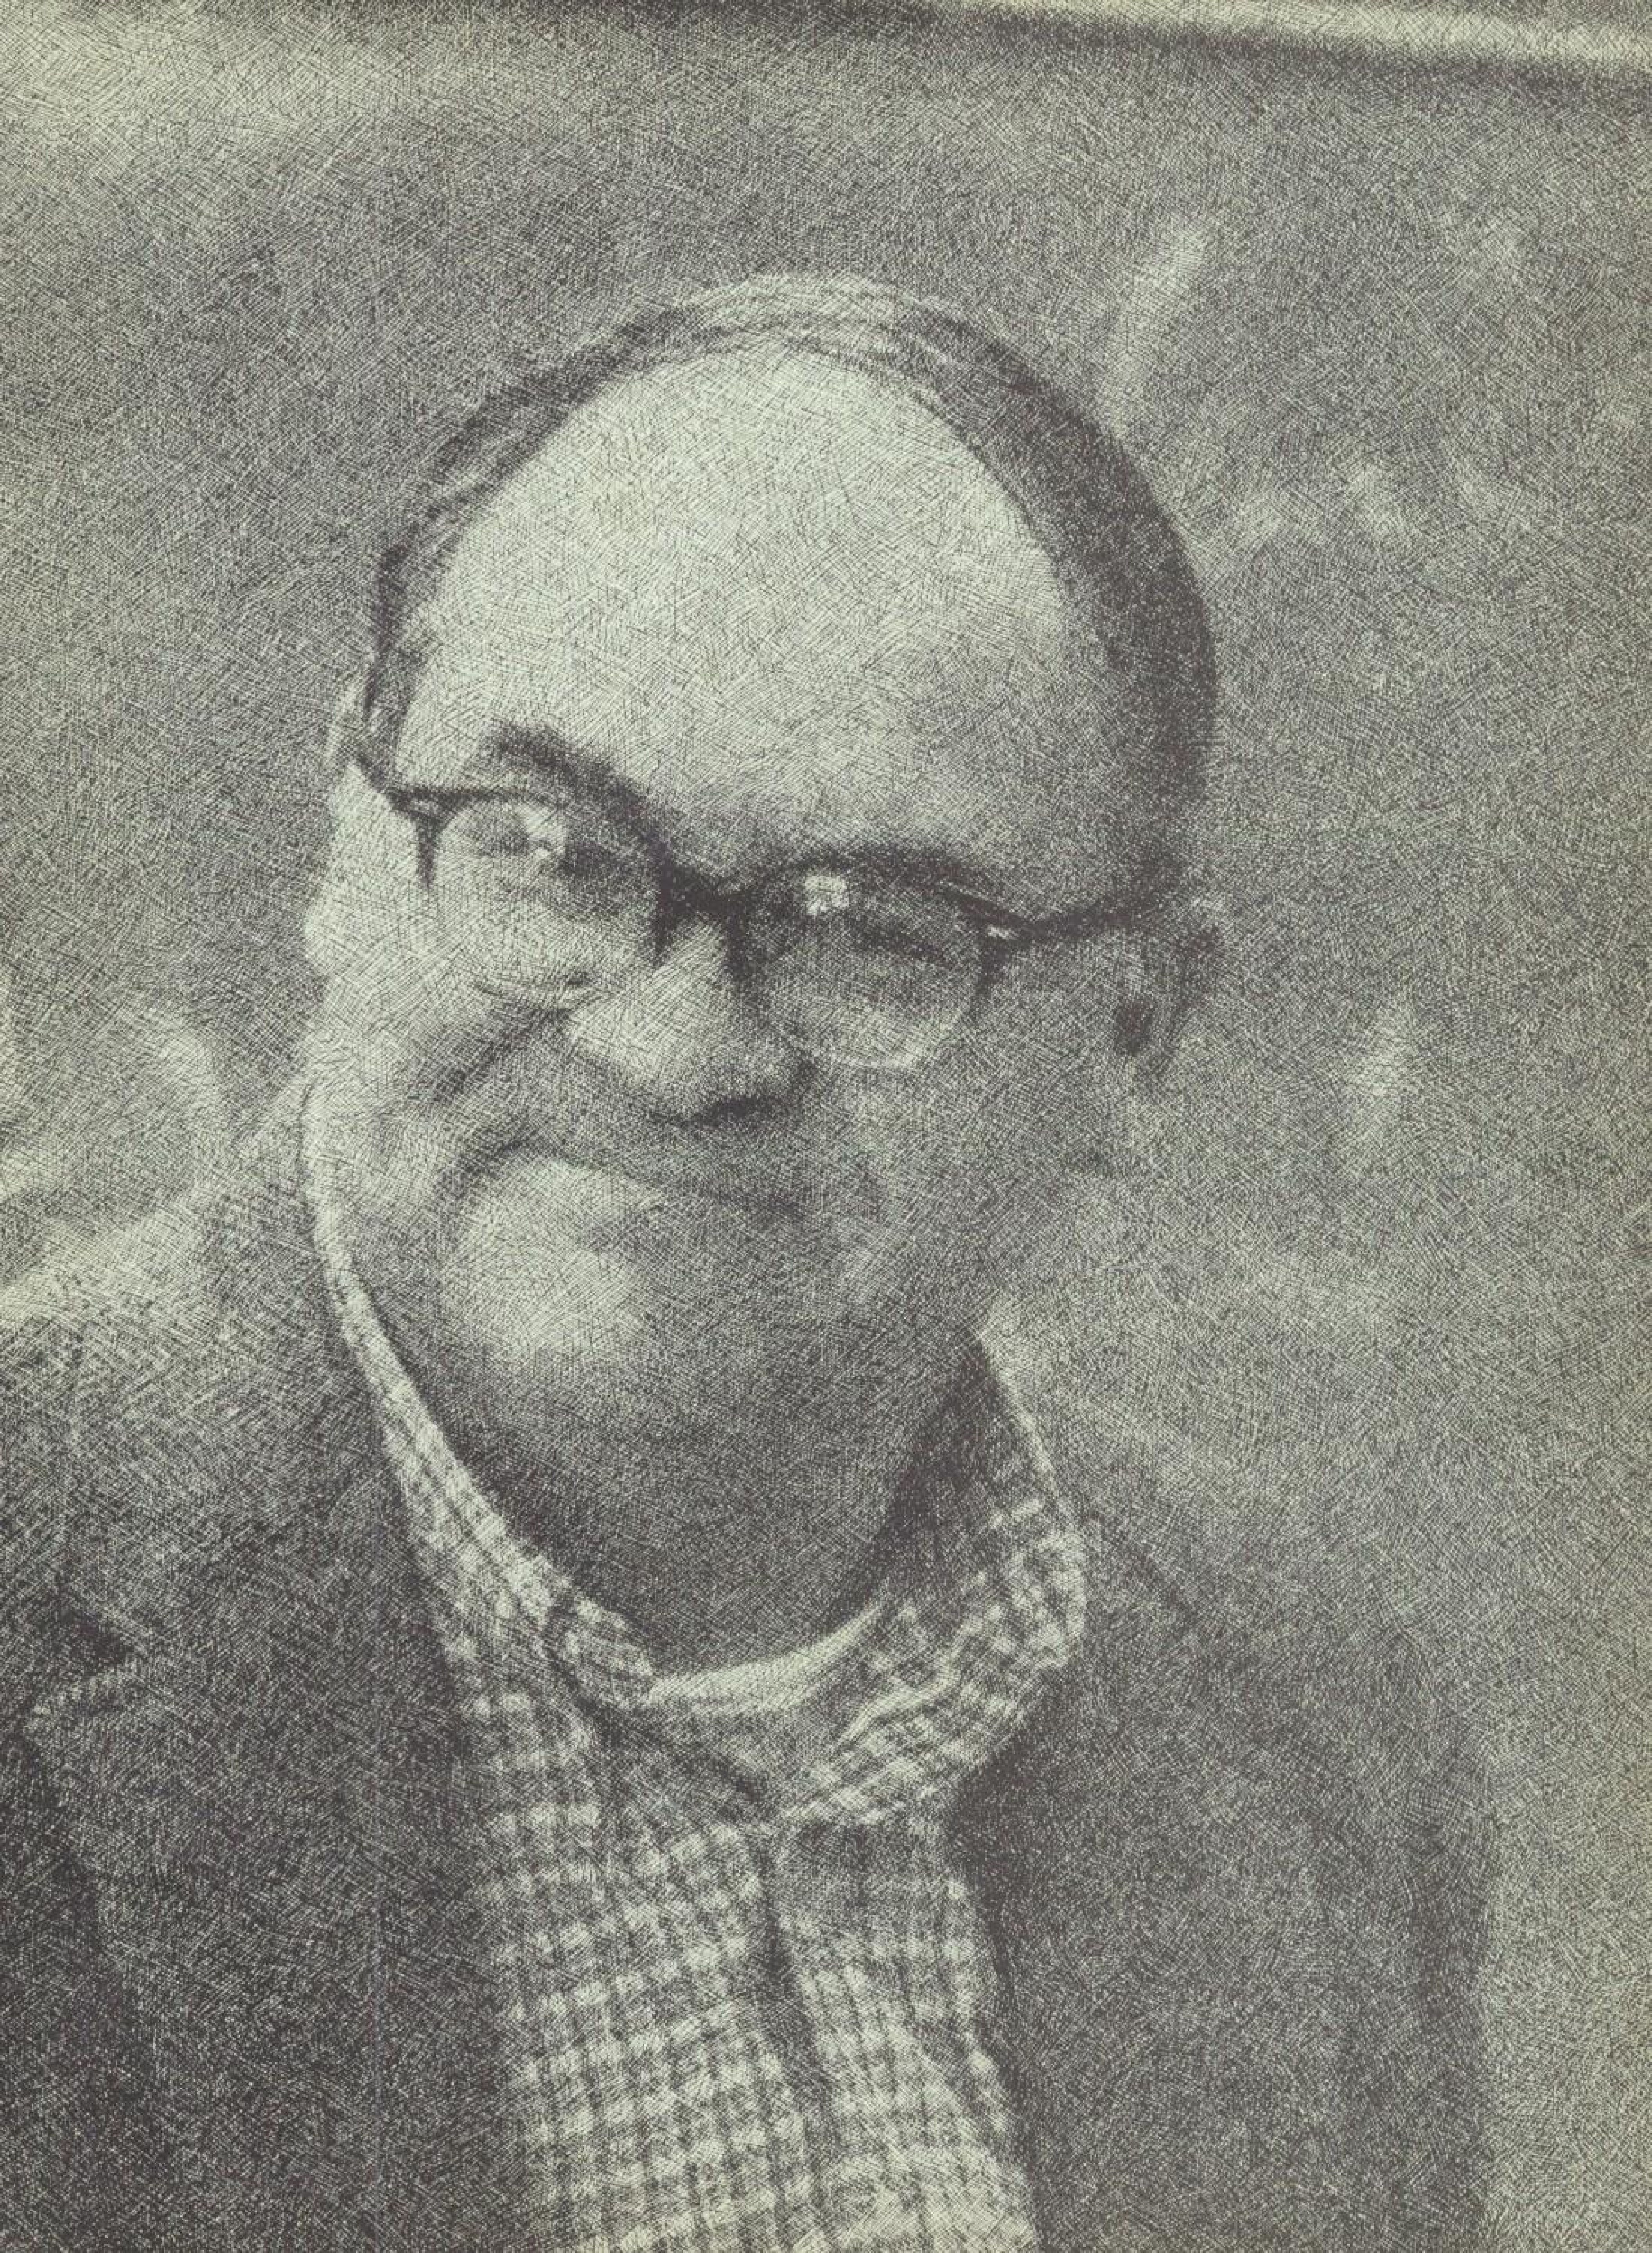

Because of him we are aware of

''Man's Inhumanity to Man.''

We dedicate the 1977 Halfmoon to

Mr. Arthur Kaladow.

Keep your face to the sunshine
and you cannot see the shadow.

Helen Keller

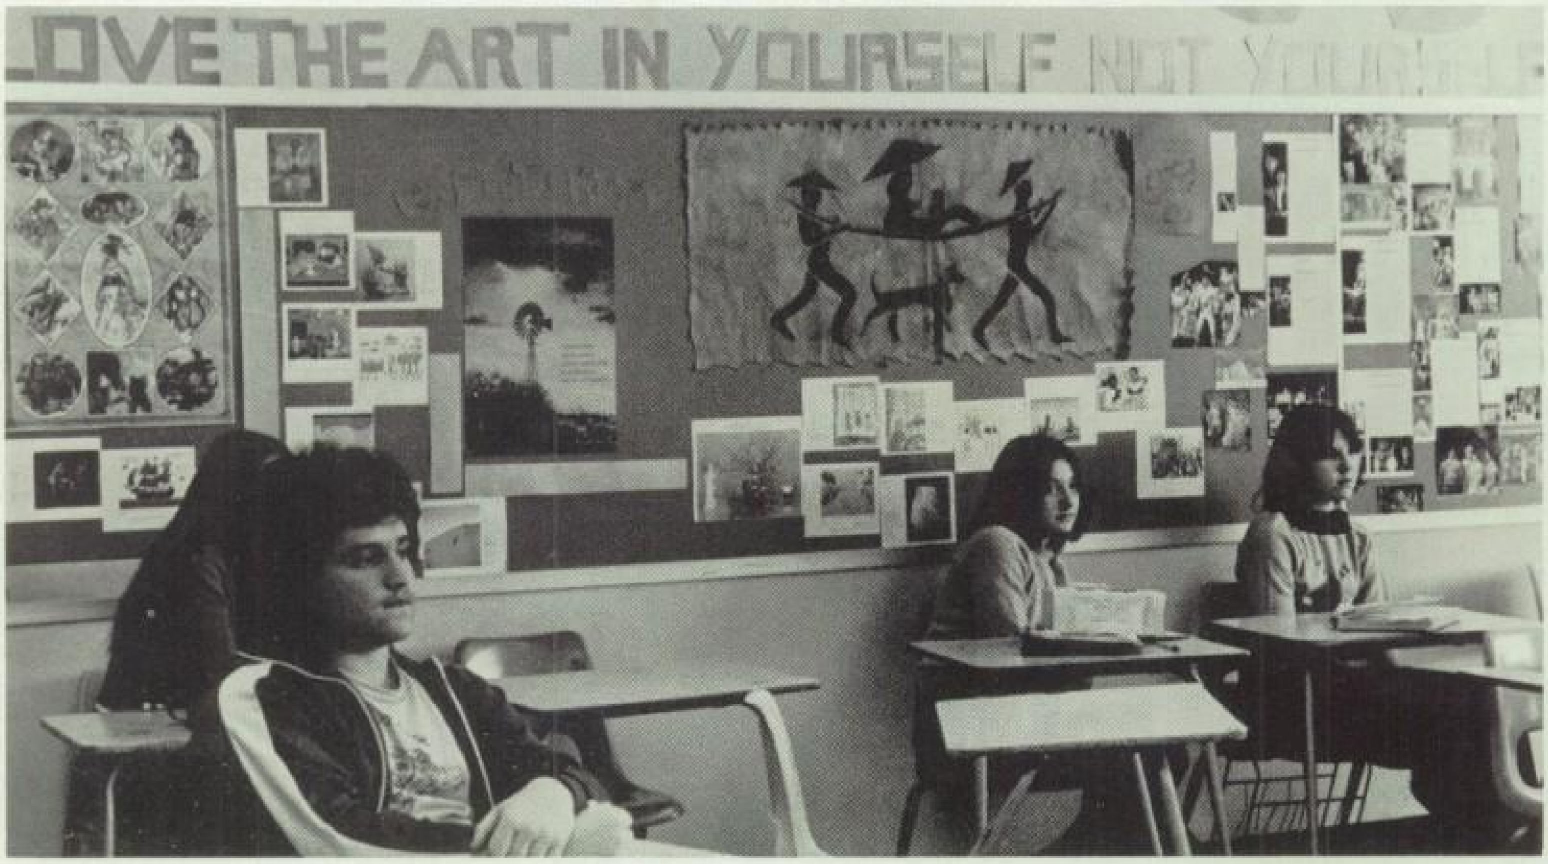

The pessimist sees the difficulty

in every opportunity;

the optimist, opportunity in every difficulty.

L. P. Jacks

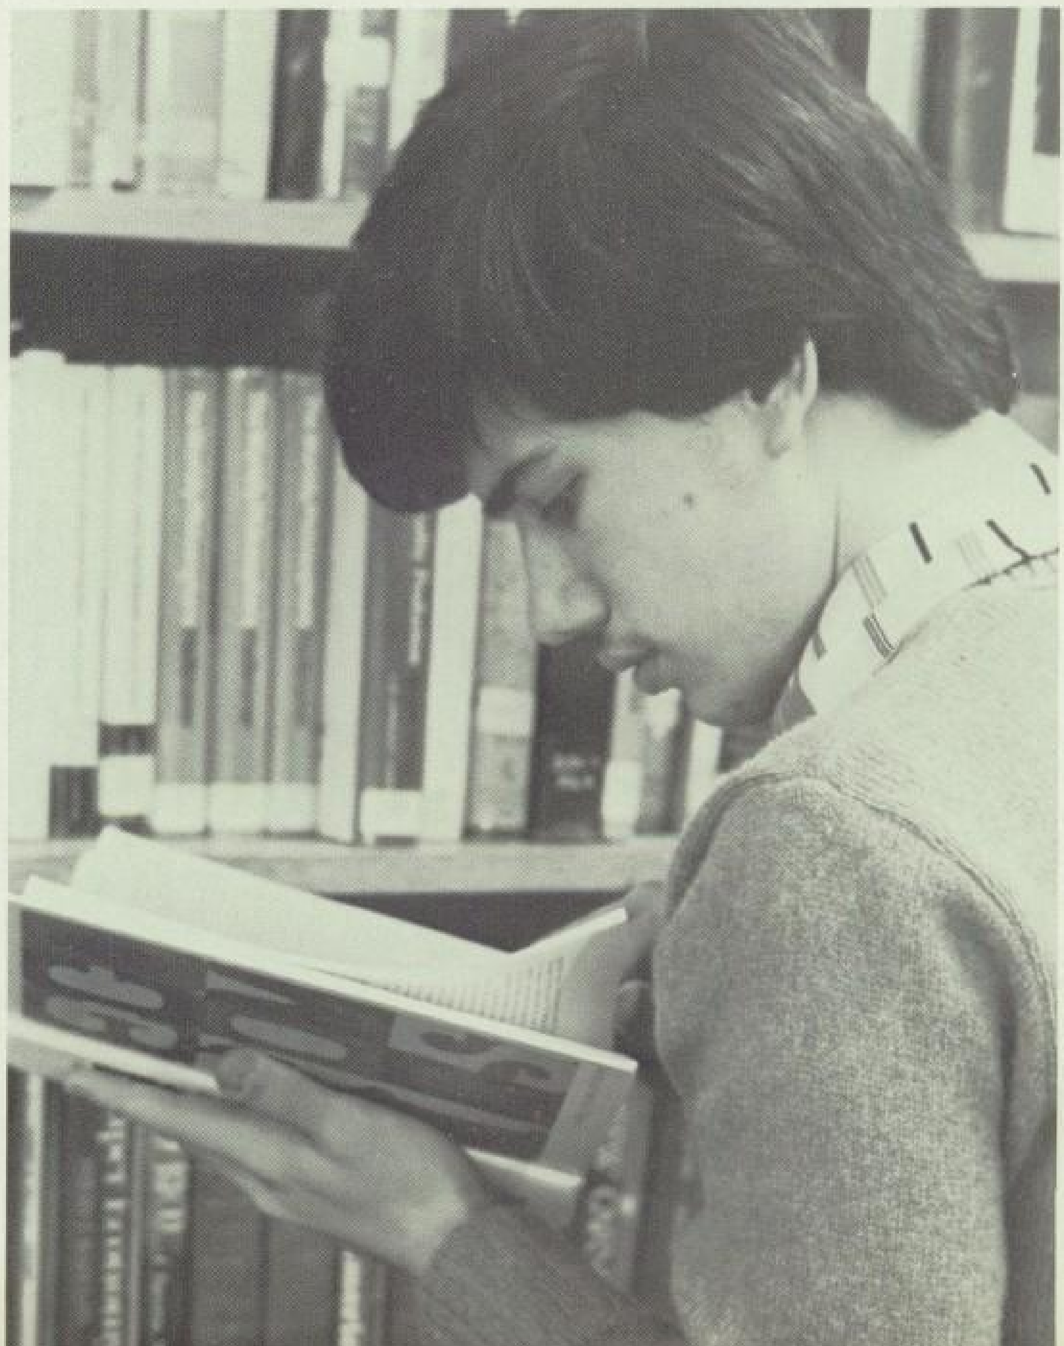

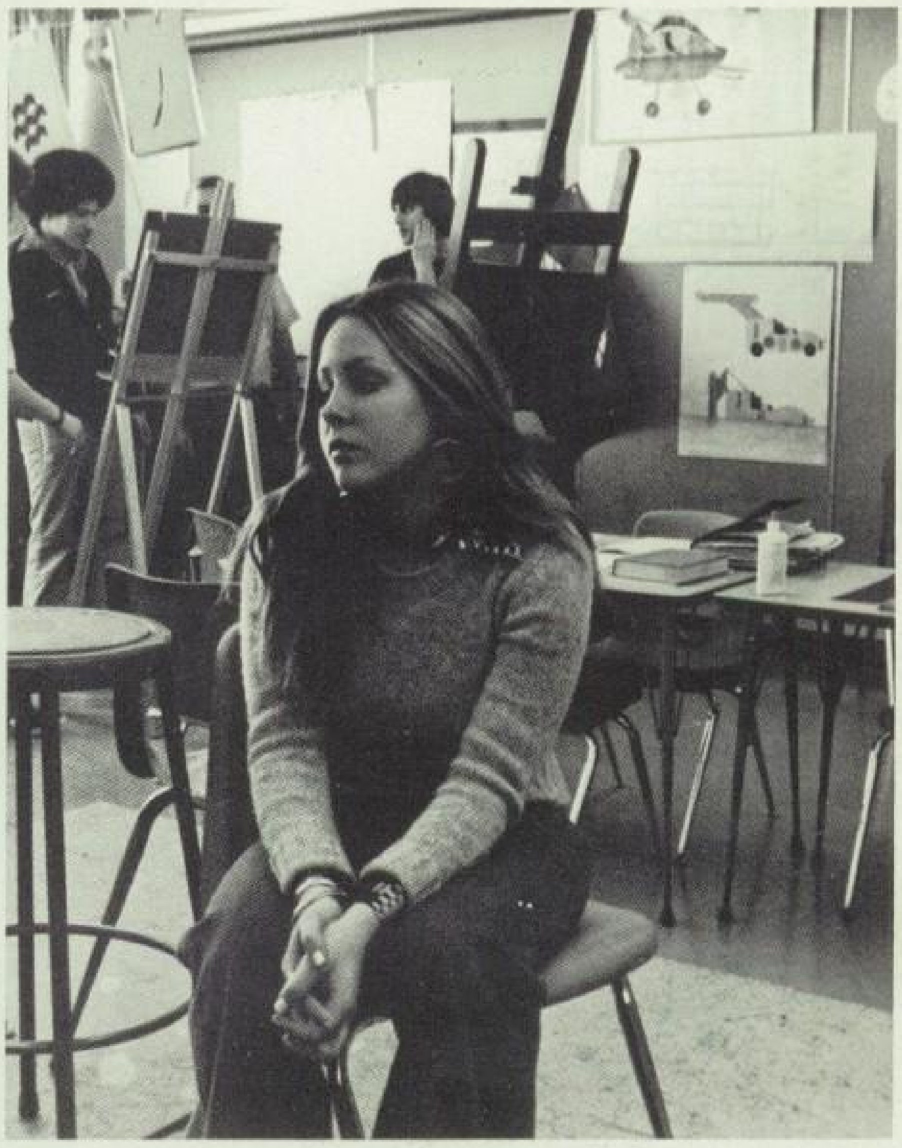

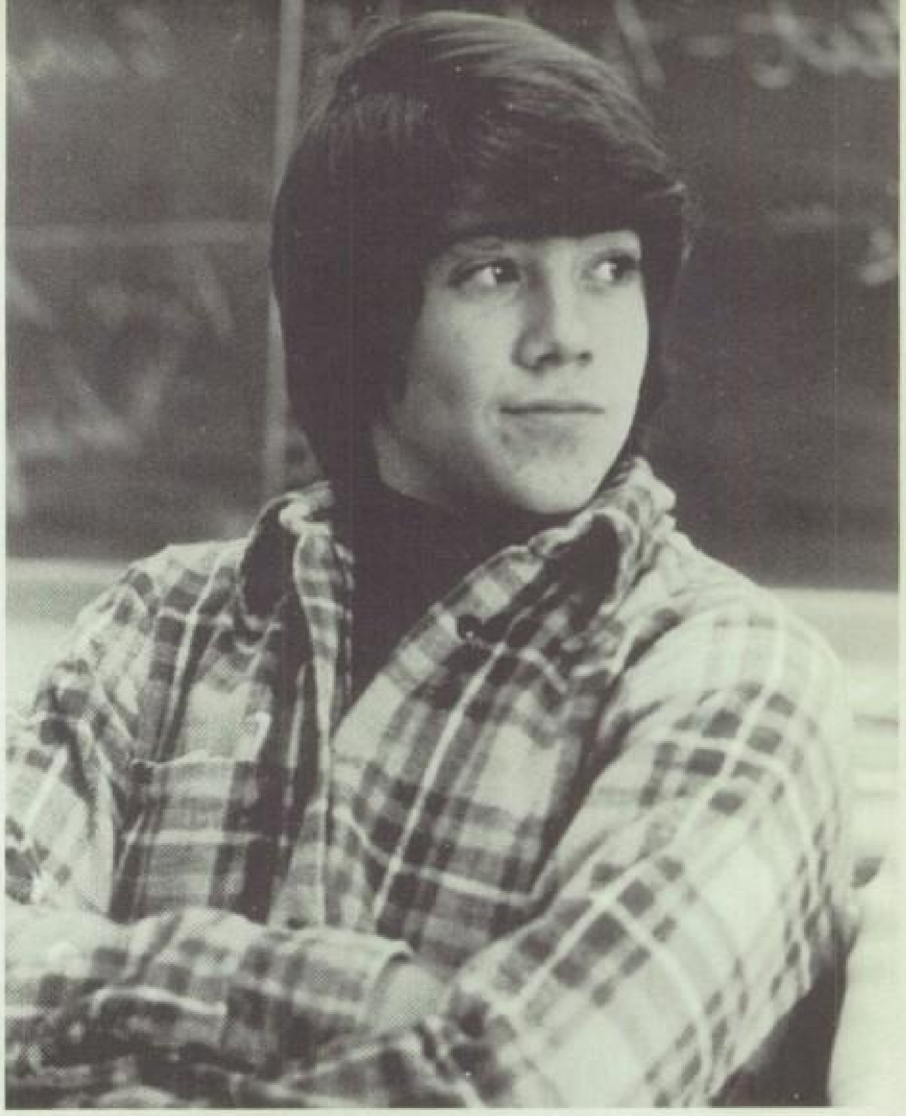

Far away there in the sunshine

are my highest aspirations.

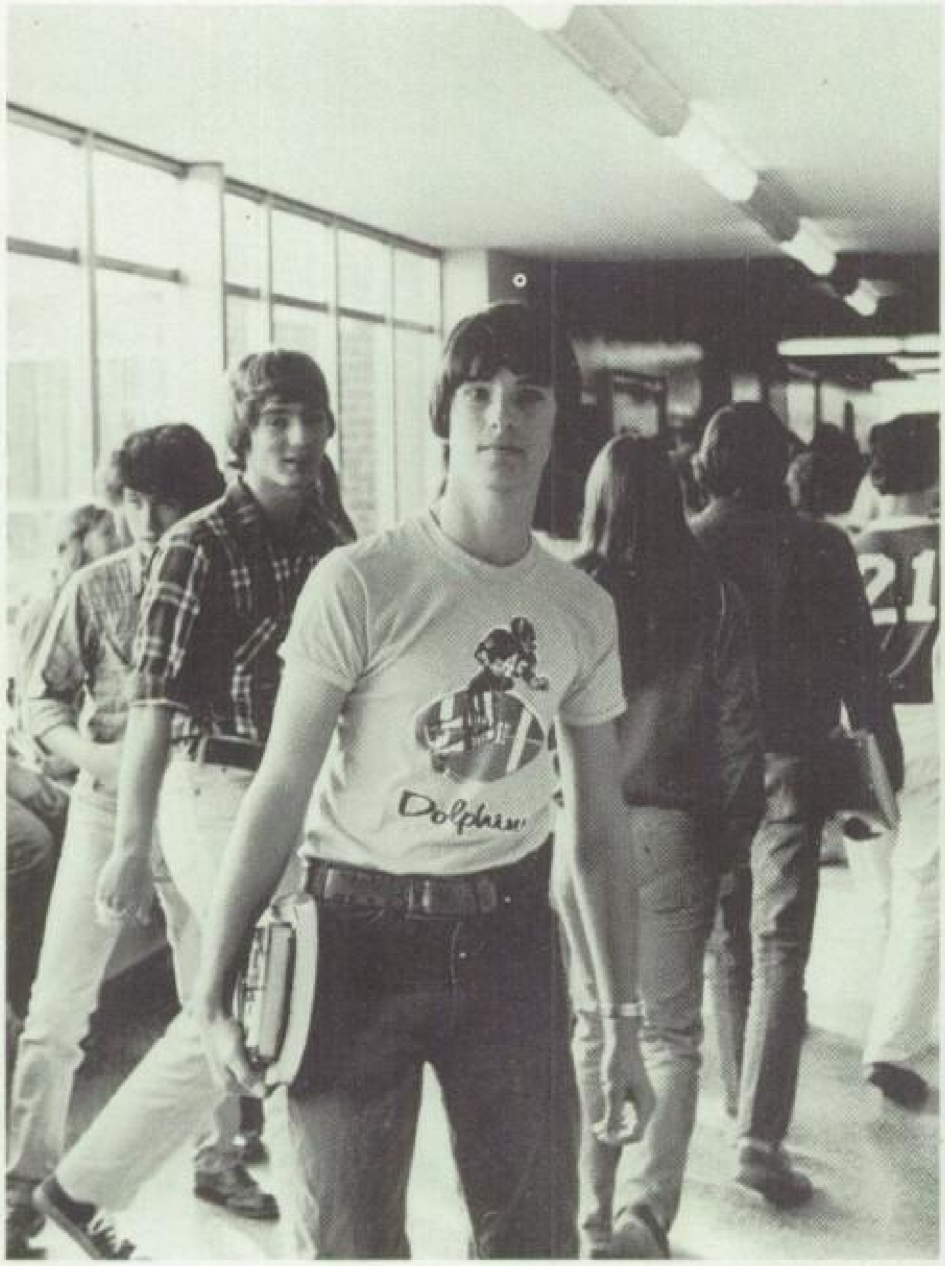

I may not reach them,

but I can look up and see

their beauty,

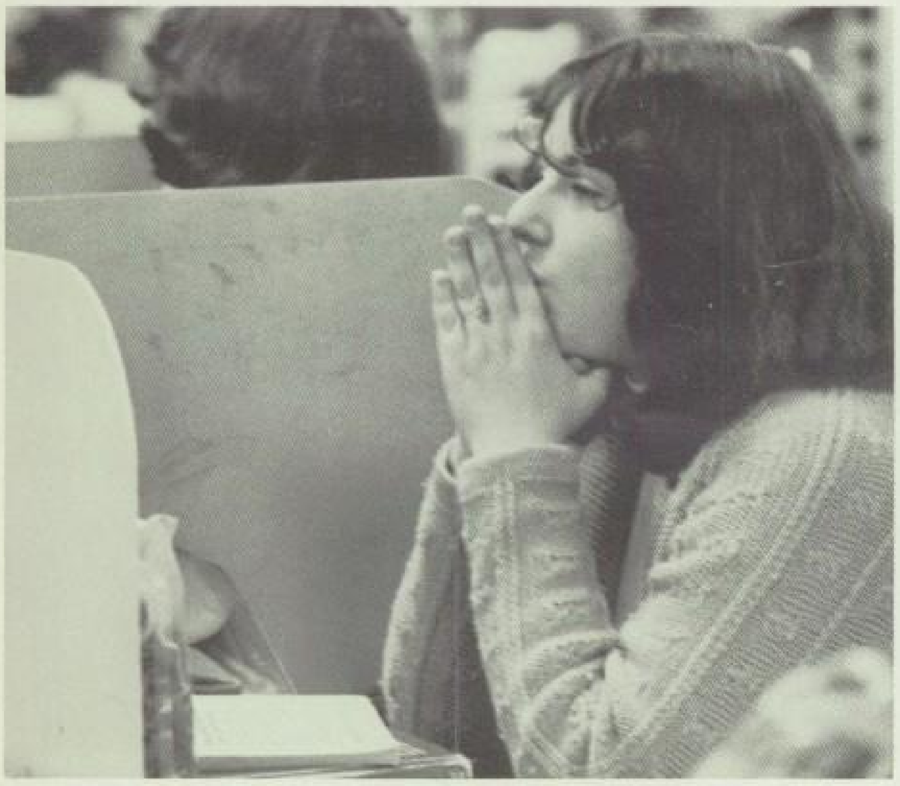

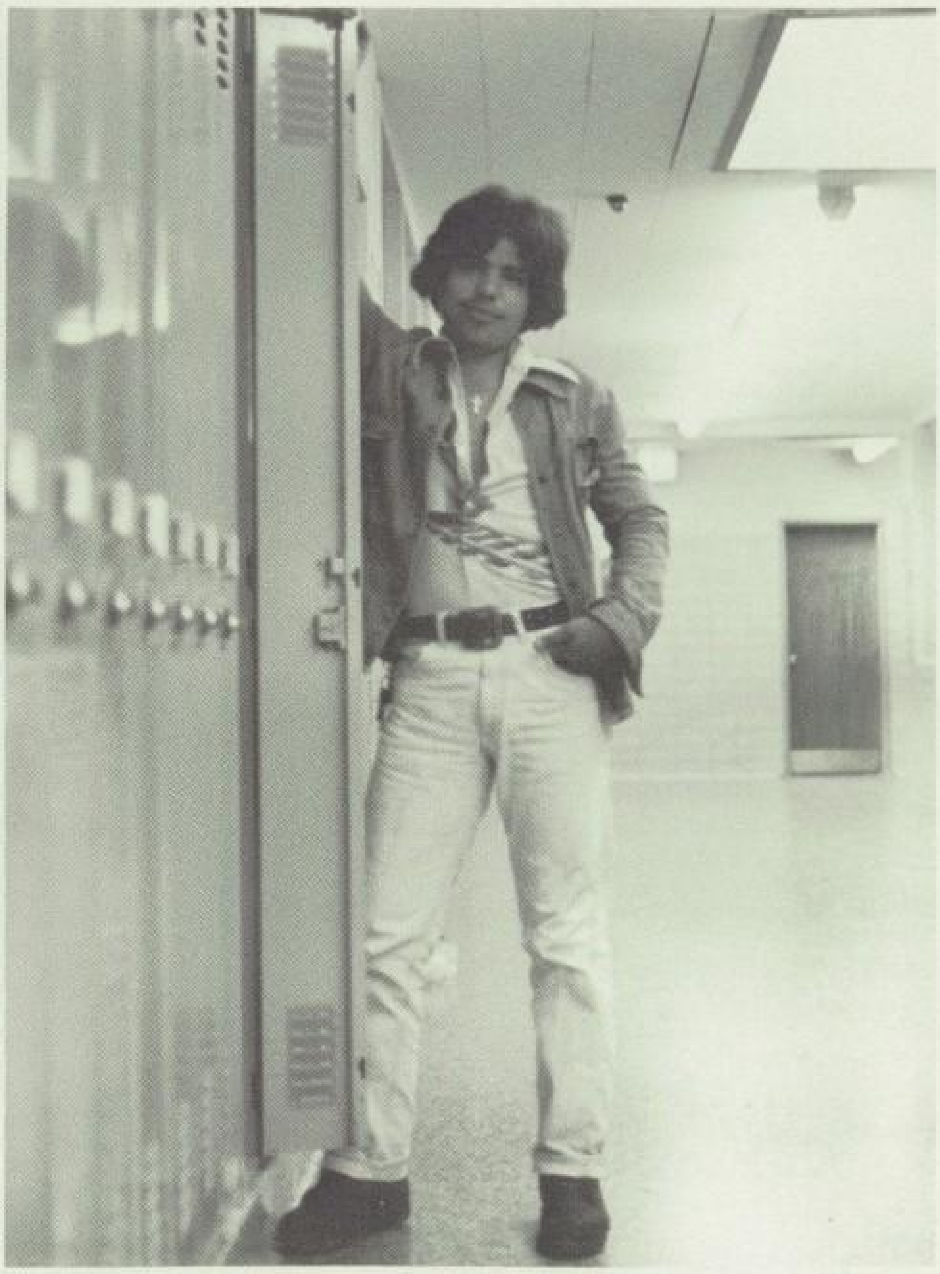

believe in them,

and try to follow where they lead.

Louisa May Alcott

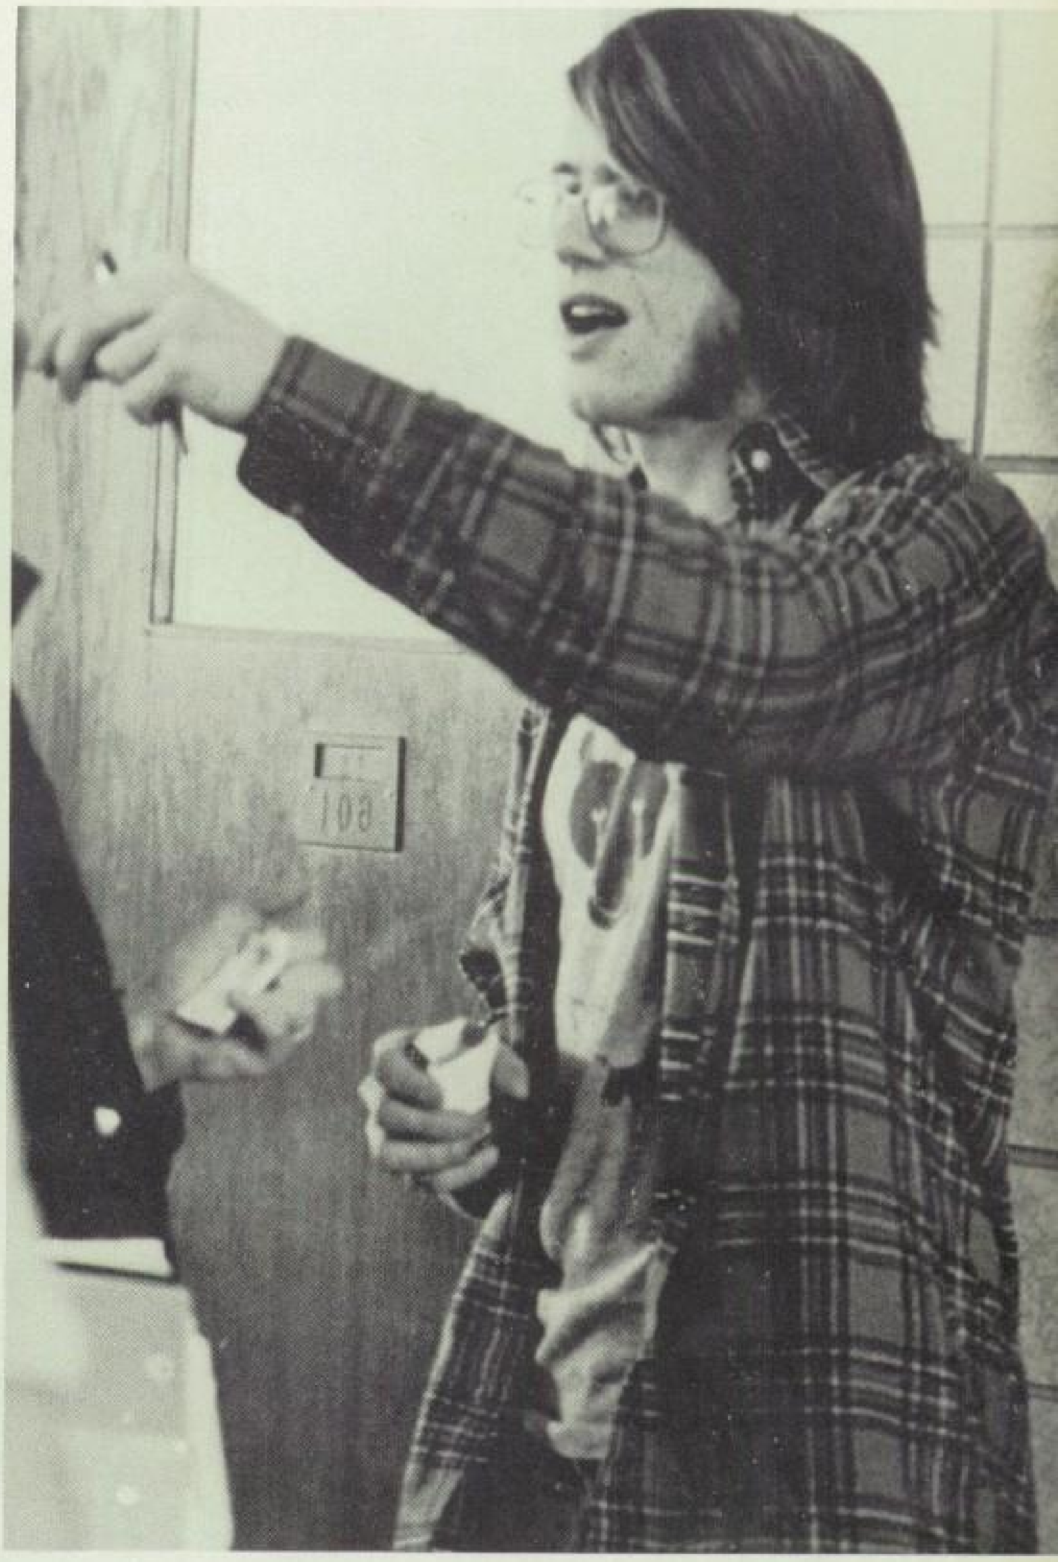

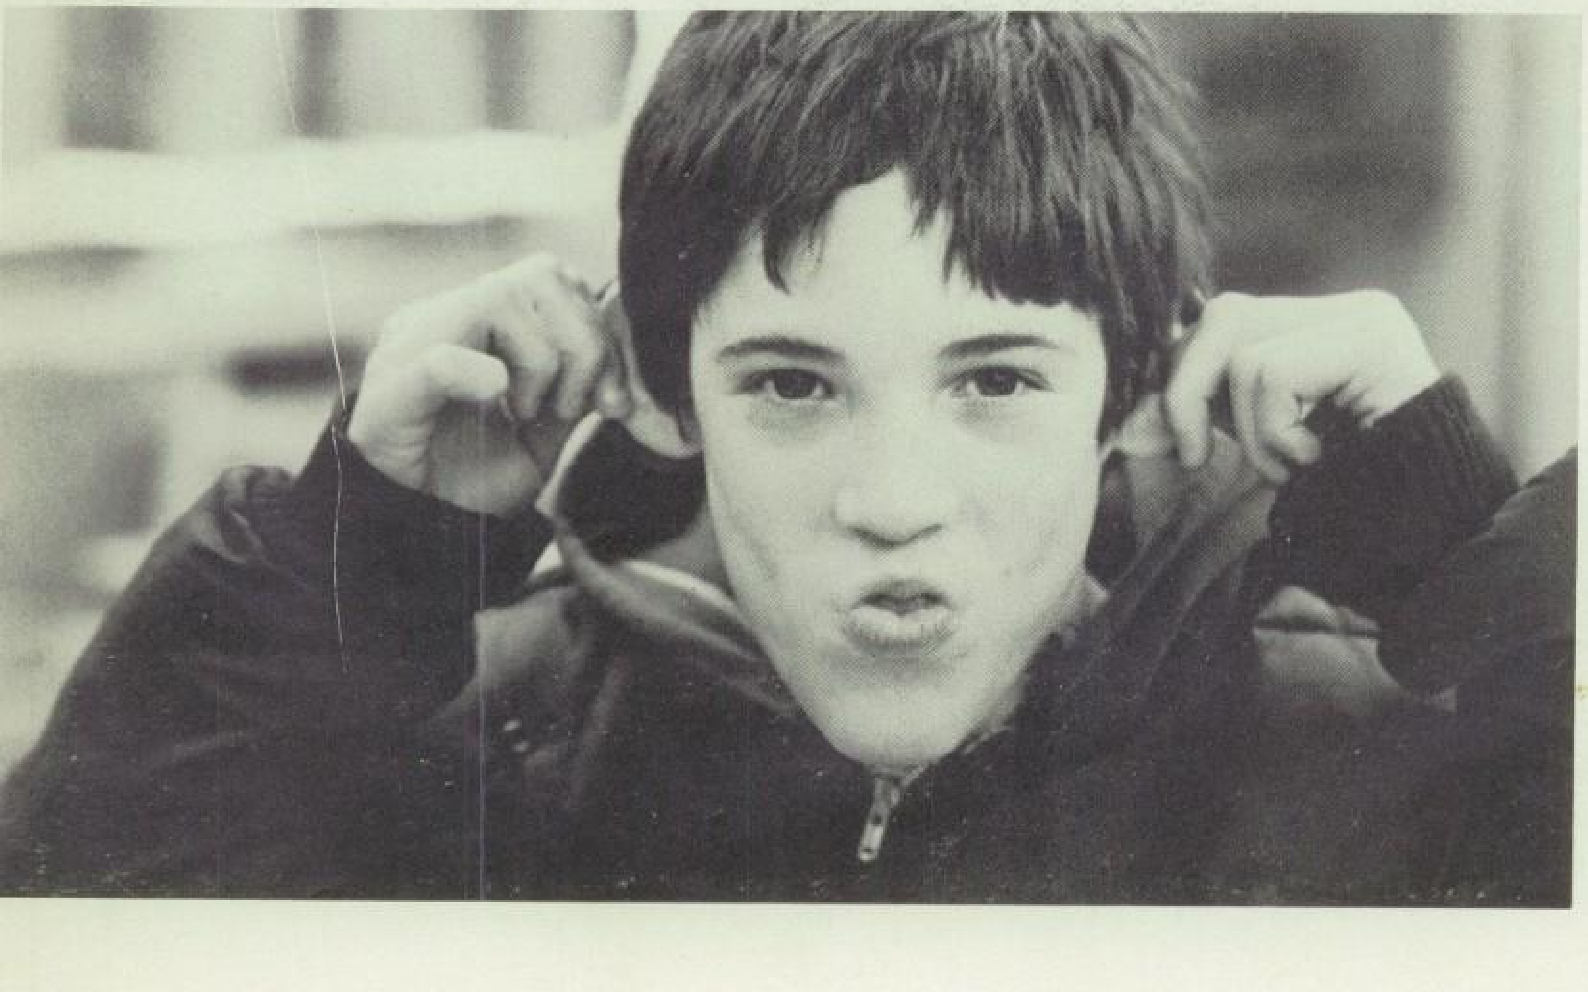

Write on your hearts
that everyday
is the best day
of the year.

Ralph Waldo Emerson

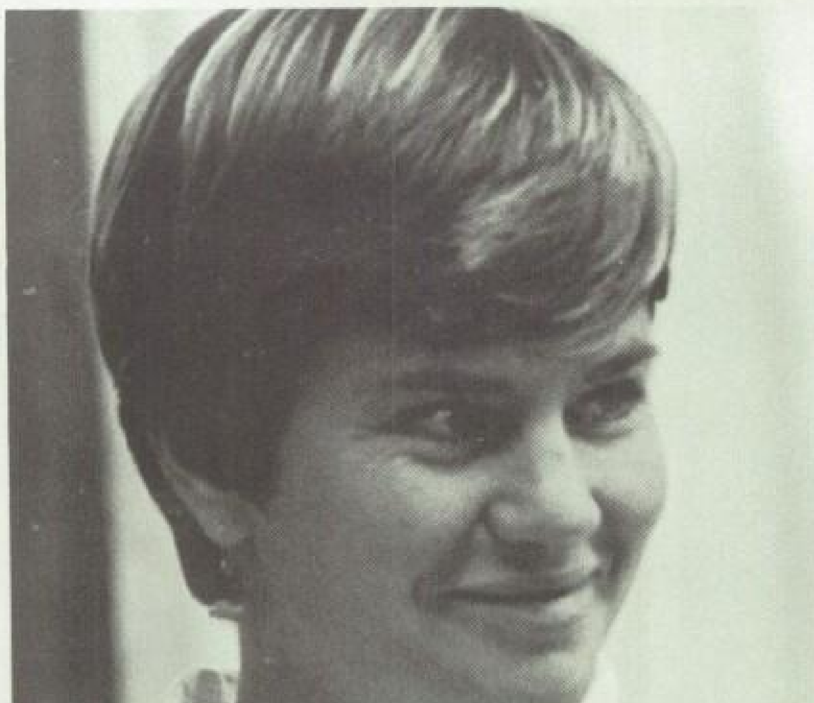

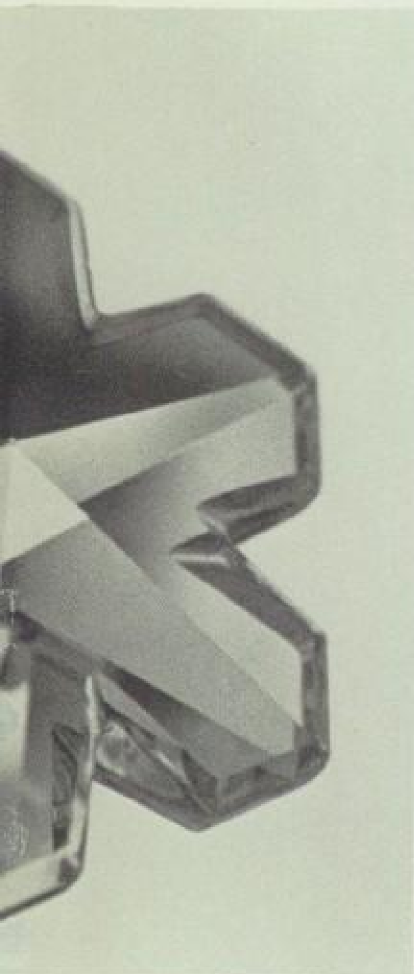

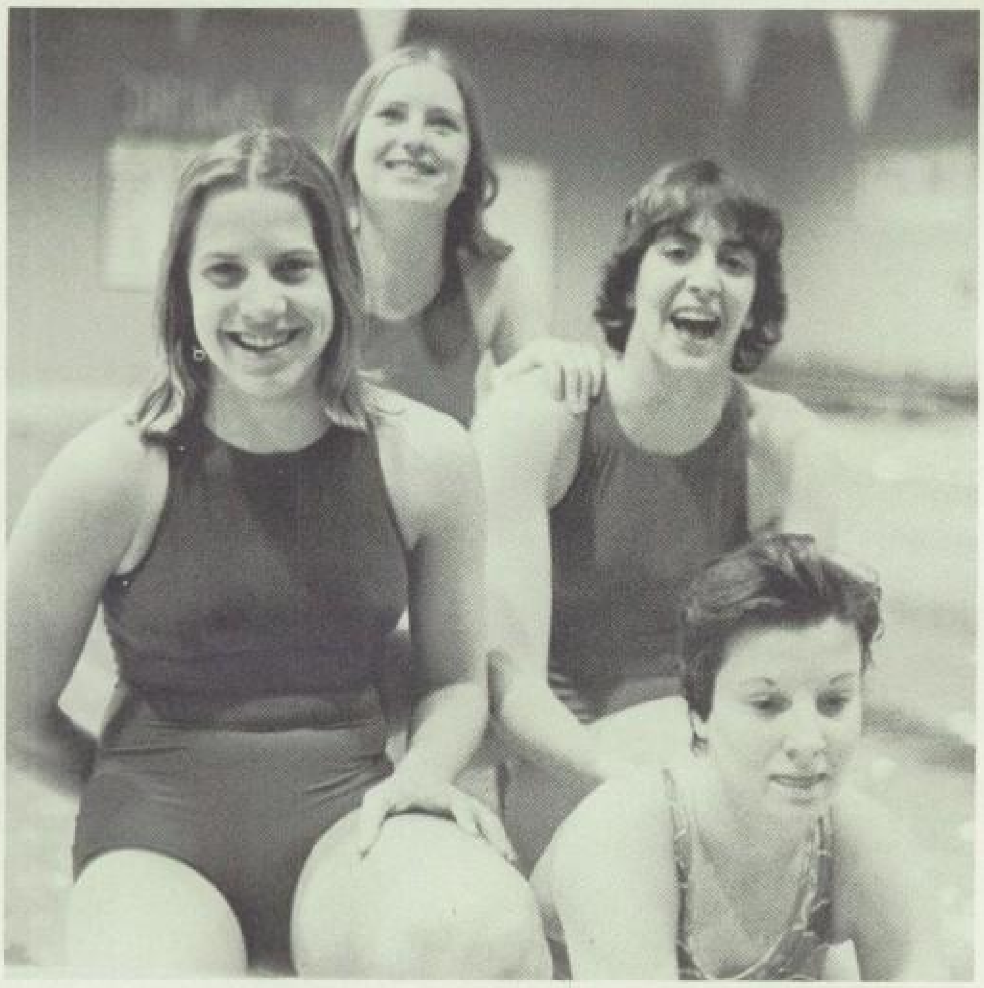

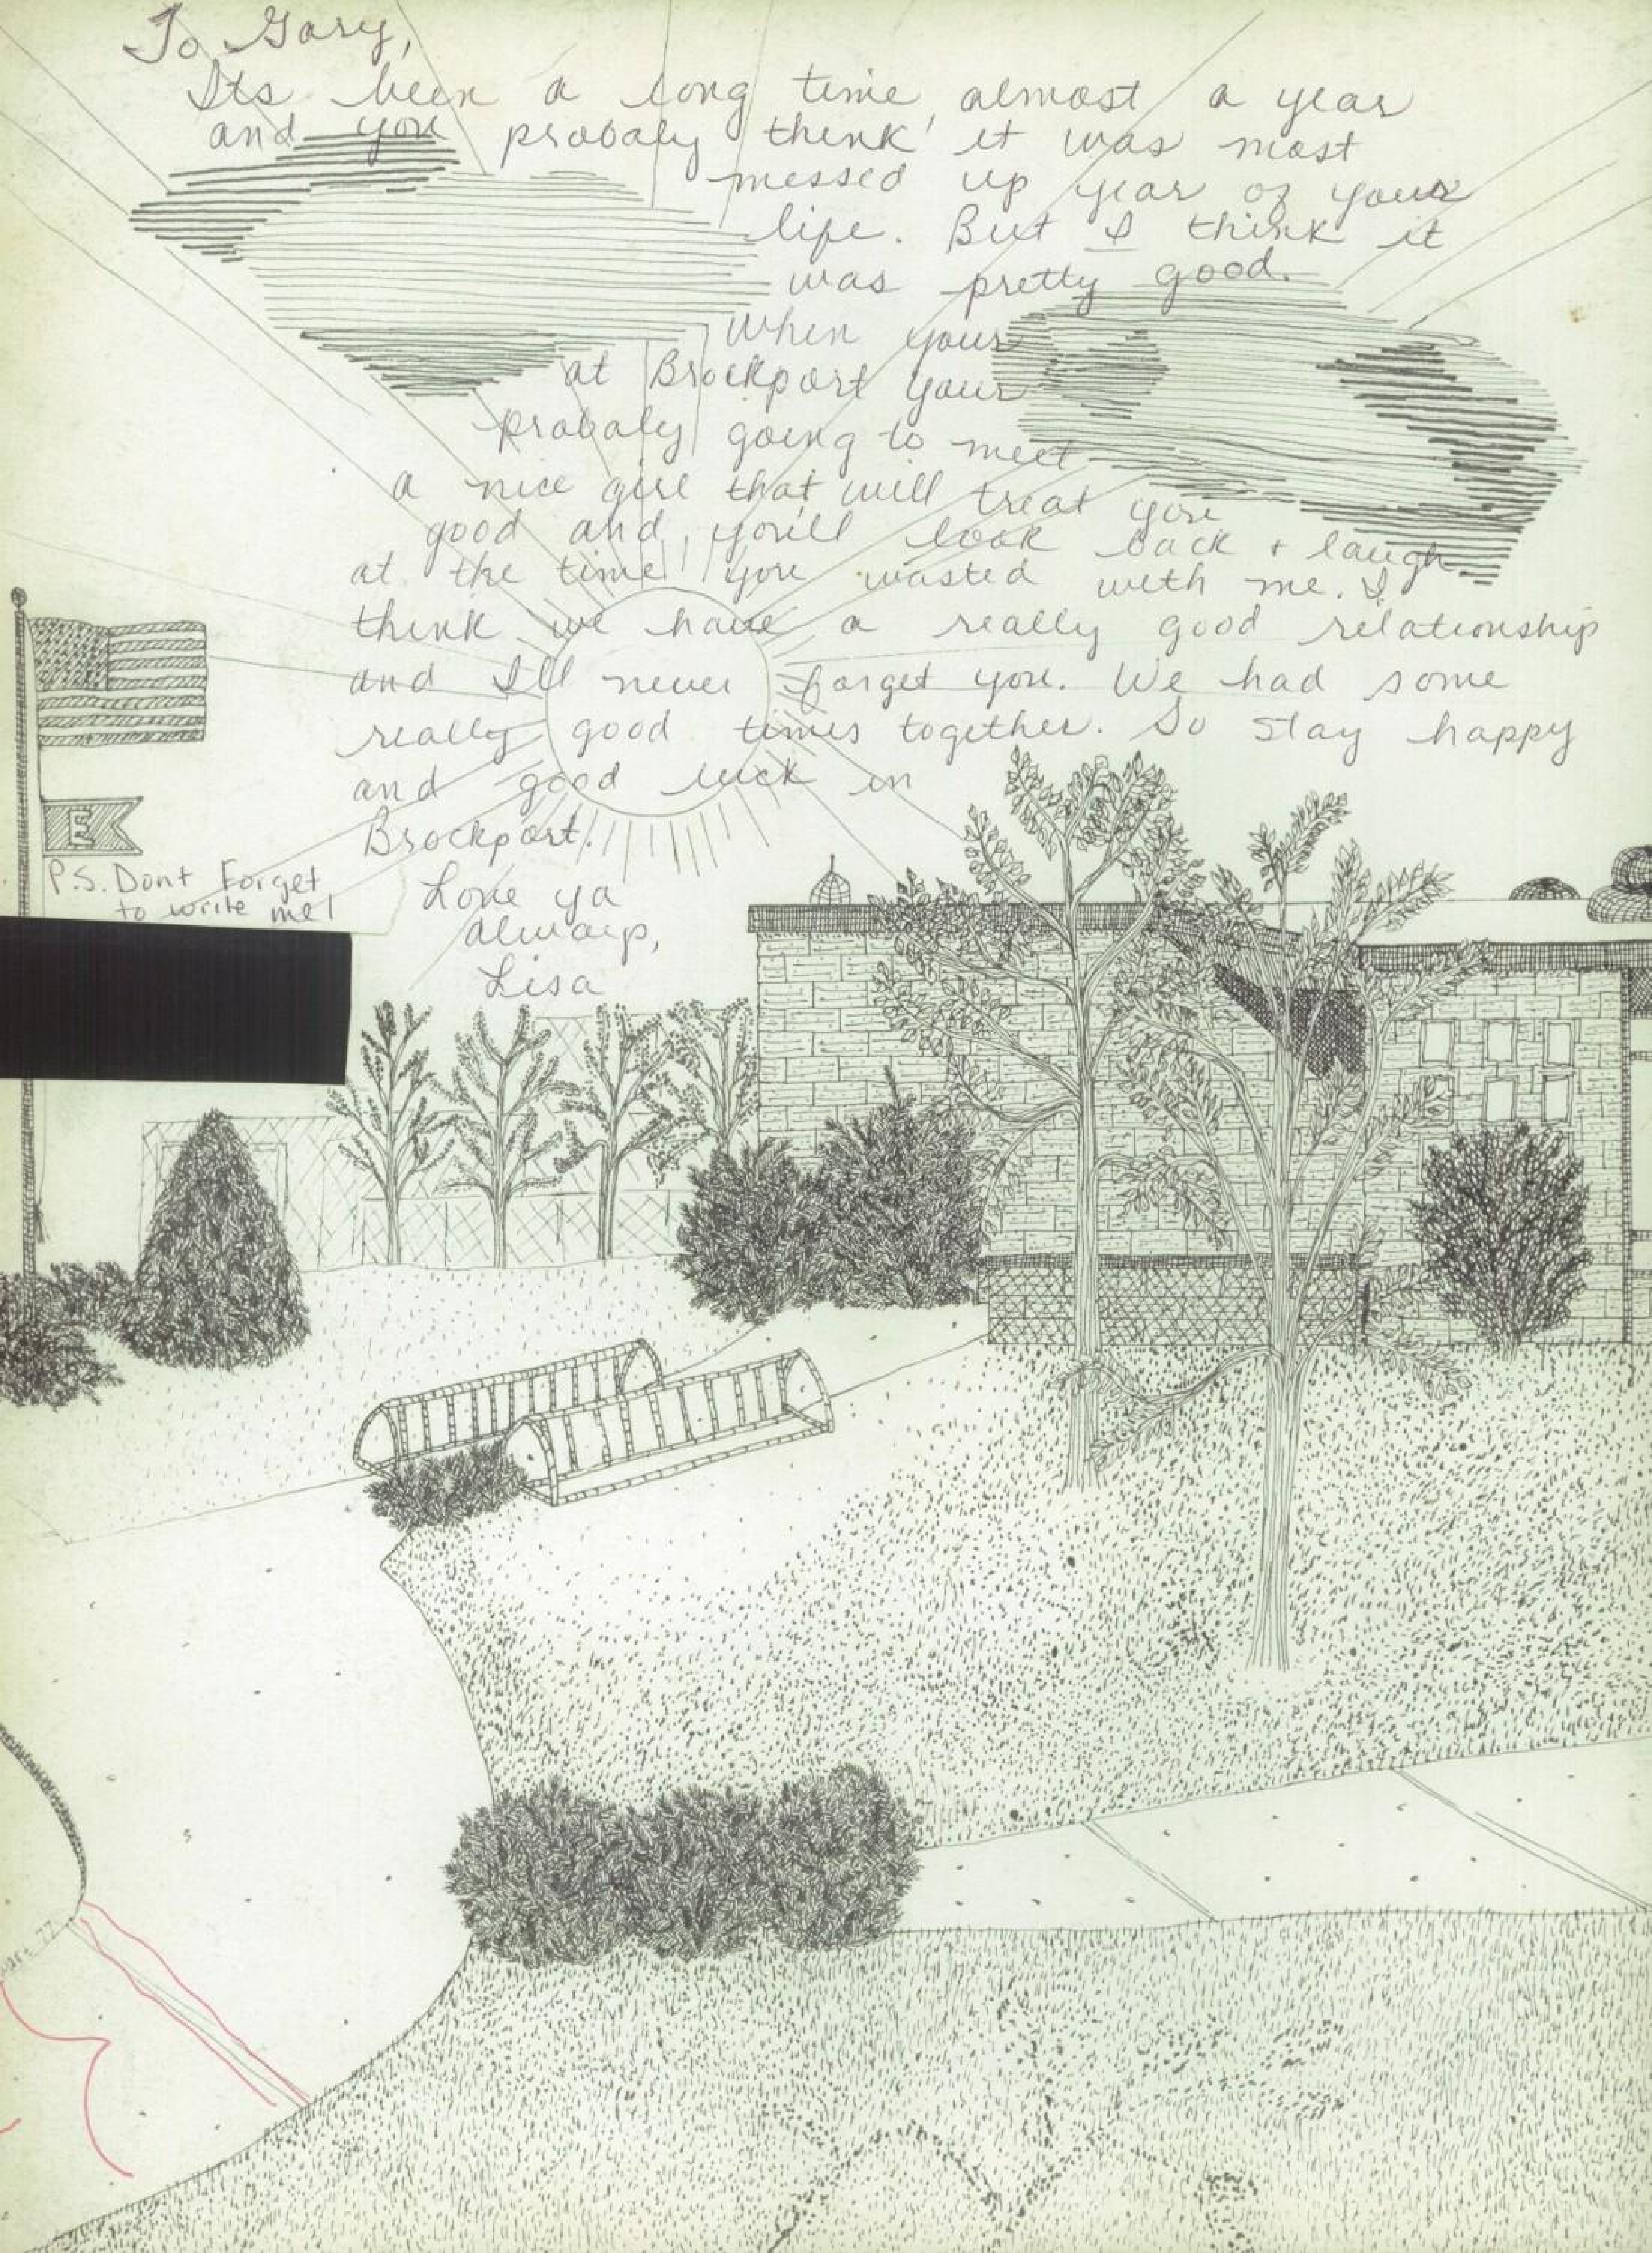

To Gary,
Its been a long time almost a year and you probaly think it was most messed up year of your life. But I think it was pretty good. When your at Brockport your probaly going to meet a nice girl that will treat you good and you'll look back + laugh at the time you wasted with me. I think we have a really good relationship and I'll never forget you. We had some really good times together. So stay happy and good luck in Brockport.

Love ya always,
Lisa

P.S. Dont Forget to write me!

Reach high,

for stars lie hidden

in your soul.

Dream deep,

for every dream precedes

the goal.

The Side Porch

the swift, almost eagle-like being,

so graceful yet powerful.

every movement is executed in perfect harmony.

the rising energy, the pushing effort

heightened by the screams of the fans.

an athlete, who in his perfect moment,

can soar over any mountain.

it must be beautiful to fly so free.

Shark Bait

Throughout the summer
the Dutchmen worked.
When training had started,
the power we lurked.

The coaches came ready
with a play in each hand.
The strength of their defense
was carefully planned.

For the first home game,
everyone went.
For to beat those Pirates,
we all knew what it meant.

A fumble, a pick-up
and a run to the flag,
made Coach Hince smile -
put the game in the bag.

The South was tough
but the Sharks pulled it out
'Twas the Ramapo Gryphons
we all worried about.

They sure were ready,
the gold and the green
and that final score
proved they were mean.

Along came the Mounties
all filled with glory
but the red and white
told them a new story.

Fired up and sparked
the Mounties had seemed,
but the Dutchmen came through
and were filled with esteem.

Spring Valley was practice
for our test was quite near,
but the Sharks worked their pads off
and felt nothing to fear.

Now four and one,
but a goal still to reach.
The top, maybe second
but something for each.

Three games were left
with North Rockland right there.
The workouts went late -
valuable time . . . none to spare.

North Rockland proved good
but we thought we had more.
A few lucky runs
completely twisted the score.

The game seemed all ours
at the end of the half,
but when it was over
the Raiders got the last laugh.

With Clarkstown North around the corner
Mokrynka worked the line,
Anselmo worked the backfield
and everything looked fine.

But from the beginning of the quarter
we felt we owned a loss -
a couple of runs
and a perfectly timed toss.

Our record proved us good -
yet one game to go.
The team was well respected,
but still disappointed was Mo.

With Nyack coming up
and much pride at stake -
with a notable season,
even though a lingering ache.

Yes, Nyack took it all
but the respect for us stayed -
for the Tappan Zee Flying Dutchmen -
Gutsy football . . . we played.

- Paul Borgese

DREN'S LIFE PRESERVERS

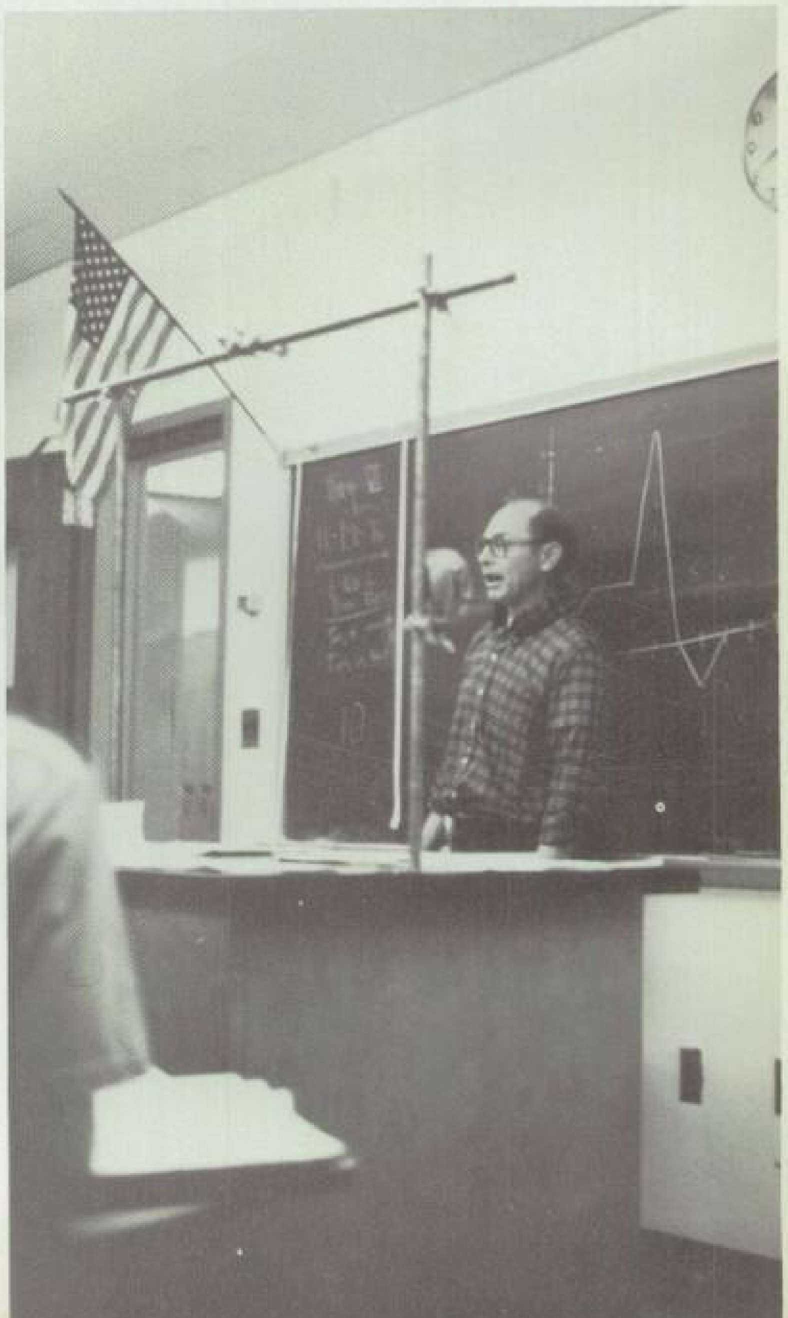

Go placidly amid the noise and the haste . . . You are a child of the universe, no less than the trees and the stars; you have a right to be here. And whether or not it is clear to you, no doubt the universe is unfolding as it should . . . Whatever your labors and aspirations in the noisy confusion of life, keep peace with your soul. With all its sham, drudgery, and broken dreams, it is still a beautiful world. Be cheerful. Strive to be happy.

Desiderata

the more faithfully you listen to the voice within you, the better you will hear what is sounding outside . . .

Gary,
Here I am signing
your yearbook in Lunny's
in front of 4 pitchers of beer.
It's a pretty unlikely place to be
signing it but this represents T.Z.
and our friendship. It's been great hasn't
it. It's almost over our Highschool days I
mean not our friendship. Our friendship will last
for ever. Even if you think your a stud. Take
care during the summer and good luck in wrestling and
school next year.

Rich

GARY,
